Piraeus, the 23rd of February 2011

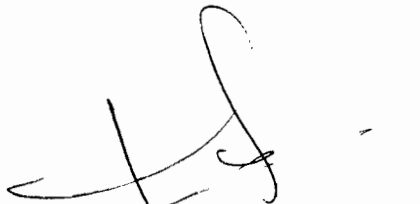

To whom it may concern,

On Thursday, the 17th of February 2011 Mr. Ioannis Dragonas was in our firm's offices, situated in Piraeus Greece, 13 Defteras Merarchias str.

During his stay in our offices, unknown individual(s) broke the window of Mr. Dragonas' vehicle and managed to steal his laptop, his suitcase and several others personal belongings of his.

Amongst the stolen items were several important legal documents, referring to the pending - before the Greek and English Courts- case against his former spouse Ms. Panagiota Limberakou.

The above-mentioned incident was, at the same day and due to our firm's actions, reported to the Greek Police Authorities, who are conducting investigations.
